Bug Report

See All Bots Button

Pressing the see all bots buttons yields no results.

Pre Condition

- + On the home page

Expected Result

- + To display all bots available to the game

Actual Results

- + Nothing is rendered after pressing the button

Environment

Chrome Version 109.0.5414.119 (Official Build) (x86_64)

Incorrect Result Tall

When winning a game it is recorded as a lost

Pre Condition

- + On the home page
- + Draw your bot cards
- + Select 2
- + Select duel

Expected Result

- + if my health is greater than computer health after duel, that I will win, and it will be recorded as a win

Actual Results

+ Instead no matter what happens it is recorded as a loss, even if it says I won, and mathematically I won.

Environment

Chrome Version 109.0.5414.119 (Official Build) (x86_64)
